You are receiving this notification because **LFNT Resources Corp.** (the “**Company**”) has opted to use the “notice and access” model for the delivery of its management information circular (the “**Information Circular**”) to the holders (the “**Shareholders**”) of common shares in the capital of the Company in respect of its annual general meeting of Shareholders to be held on Thursday, April 25, 2024 (the “**Meeting**”).

MANAGEMENT INFORMATION CIRCULAR

The information contained in this management information circular (this “**information Circular**”) is as of March 5, 2024, unless otherwise noted.

This Information Circular is furnished in connection with the solicitation of proxies by the management of LFNT Resources Corp. for use at the annual general meeting (the “Meeting”) of holders of common shares of the Company (“Shareholders”) that is to be held virtually on at the time and place and for the purposes set forth in the accompanying notice of the Meeting.

In this Information Circular, references to the “**Company**”, “**we**”, “**our**” and “**LFNT**” refer to **LFNT Resources Corp.** “**Common Shares**” means common shares in the capital of the Company. “**Beneficial Shareholders**” means holders of Common Shares who do not hold their Common Shares in their own name and “**Intermediaries**”, as defined herein, refers to brokers, investment firms, clearing houses and similar entities that hold securities on behalf of Beneficial Shareholders.

The Company is relying on the “notice-and-access” delivery procedures outlined in this Information Circular to distribute copies of proxy-related materials in connection with the Meeting. See “Notice and Access” below for further information.

All dollar amounts presented in this Information Circular are in Canadian dollar amounts, unless otherwise stated.

SECTION 1 – GENERAL PROXY AND VOTING INFORMATION

SOLICITATION OF PROXIES

The solicitation of proxies will primarily be made by sending proxy materials to Shareholders by mail, and in relation to the delivery of this Information Circular, by filing it under the Company’s profile on the System for Electronic Document Analysis and Retrieval + (“**SEDAR**”) at www.sedarplus.com pursuant to Notice and Access (as defined hereunder). The solicitation of proxies by management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact and such solicitation will be made without special compensation granted to the directors, officers and employees of the Company. The Company does not reimburse shareholders, nominees or agents for costs incurred in obtaining, from their principals, authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this Information Circular and proxy materials to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

NOTICE AND ACCESS

The Company has chosen to deliver the Meeting proxy materials, including the Notice and Access Notification to Shareholders (the "**Notification**"), the Notice of Annual General Meeting of Shareholders and the Information Circular and a form of Proxy (the "**Proxy**") (together, the "**Proxy Materials**") using Notice-and-Access provisions, which govern the delivery of proxy-related materials to Shareholders utilizing the internet. Notice-and-Access provisions are found in section 9.1.1 of National Instrument 51-102 – Continuous Disclosure Obligations ("**NI 51-102**"), for delivery to Registered Shareholders, and in section 2.7.1 of National Instrument 54-101 – Communication with Beneficial Owners of Securities of a Reporting Issuer ("**NI 54-101**"), for delivery to beneficial Shareholders (together, the "**Notice-and-Access Provisions**"). Notice-and-Access Provisions allow the Company to deliver Proxy Materials to Shareholders by posting them on a non-SEDAR website (usually the reporting issuer's website or the website of their transfer agent), provided that the conditions of NI 51-102 and NI 54-101 are met, rather than by printing and mailing all of the Proxy Materials, in particular the Information Circular.

Notice-and-Access Provisions can be used to send proxy materials for both annual and special meetings of the Shareholders. The Shareholders may still choose to receive a paper copy of the Information Circular, and are entitled to request a paper copy of the Information Circular be mailed to them at the Company's expense.

Use of Notice-and-Access Provisions reduces paper waste and the Company's printing and mailing costs. Under Notice-and-Access Provisions the Company must mail a Notification and a form of proxy or voting instruction form, as applicable (together, the "**Notice Package**") to each Shareholder, including Registered and Beneficial Shareholders, indicating that the Proxy Materials have been posted online and explaining how a Shareholder can access them; and how they may obtain a paper copy of the Information Circular, from the Company. The Information Circular has been posted in full, together with the Notification, the Notice of Annual General Meeting and the Proxy, on the Company's website at www.lfnt.ca and under the Company's SEDAR profile at www.sedarplus.ca.

HOW TO OBTAIN A PAPER COPY OF THE CIRCULAR

Any Shareholder may request a paper copy of the Information Circular be mailed to them, at no cost, by contacting the Company's transfer agent Endeavour Trust Corporation by email to proxy@endeavourtrust.com or by calling toll-free at 1-888-787-0888.

To allow adequate time for a Shareholder to receive and review a paper copy of the Information Circular and then to submit their vote by 10:00 A.M. Pacific Time on Tuesday, April 23, 2024 (the "**Proxy Deadline**"), a Shareholder requesting a paper copy of the Information Circular as described above, should ensure such request is received no later than April 16, 2024.

Under Notice-and-Access Provisions, Proxy Materials must be available for viewing for up to one year from the date of posting and a paper copy of the Information Circular can be requested at any time during this period. To obtain a paper copy of the Information Circular after the Meeting date, please contact the Company.

Pursuant to Notice-and-Access Provisions, the Company has set the record date for the Meeting to be at least 40 days prior to the Meeting in order to ensure there is sufficient time for the Proxy Materials to be posted on the applicable website and for them to be delivered to Shareholders. The form of notice-and-access notification in the Company's notice package must (i) provide basic information about the Meeting and the matters to be voted on; (ii) explain how a Shareholder can obtain a paper copy of the Information Circular and any related financial statements and management discussion and analysis; (iii) explain the Notice-and-Access Provisions process; all of which are included in the Notification. The Notice Package, which is being mailed to Shareholders by the Company, in each case includes the applicable voting document: the Proxy for Registered Shareholders; or a VIF in the case of Non-Registered (Beneficial) Shareholders.

Also, pursuant to Notice-and-Access Provisions, since the Company has not previously utilized Notice-and-Access Provisions for delivery of its annual meeting proxy materials, the Company ensured there are a minimum of 25 days between the date the company SEDAR files Notice of Meeting and Record Dates and the stipulated record date of the meeting.

The Company will not use a procedure known as ‘stratification’ in relation to its use of Notice-and-Access Provisions. Stratification occurs when a reporting issuer using Notice-and-Access Provisions also provides a paper copy of its management information circular to some of its shareholders with the Notice Package. All Shareholders will receive only the Notice Package, which must be mailed to them pursuant to Notice-and-Access Provisions, and which will not include a paper copy of the Information Circular. All Proxy Materials, which have the information a Shareholder requires to vote in respect of all resolutions to be voted on at the Meeting, will be posted online. Shareholders will not receive a paper copy of the Information Circular from the Company, or from any intermediary, unless a Shareholder specifically requests one.

All Shareholders may call 1-888-787-0888 in order to obtain additional information relating to Notice-and-Access Provisions or to request a paper copy of the Information Circular, up to and including the date of the Meeting, including any adjournment of the Meeting.

WHO CAN VOTE

If you are a registered Shareholder of the Company as at **March 5, 2024**, you are entitled to notice of and to attend at the Meeting and cast a vote for each share registered in your name on all resolutions put before the Meeting. If the Common Shares are registered in the name of a corporation, a duly authorized officer of that corporation may attend on its behalf but documentation indicating such officer’s authority should be presented at the Meeting. If you are a registered Shareholder but do not wish to, or cannot, attend the Meeting you can appoint someone who will attend the Meeting and act as your proxyholder to vote in accordance with your instructions (see “*Voting by Proxy*” below). If your Common Shares are registered in the name of a “nominee” (usually a bank, trust company, securities dealer, financial institution or other intermediary (“**Intermediary**” or “**Intermediaries**,” as appropriate)) you should refer to the section entitled “**Non-Registered Shareholders**” set out below.

It is important that your Common Shares be represented at the Meeting regardless of the number of Common Shares you hold. If you will not be attending the Meeting, we invite you to complete, date, sign and return your form of proxy as soon as possible so that your Common Shares will be represented.

VOTING BY PROXY

If you do not come to the Meeting, you can still make your votes count by appointing someone who will be there to act as your proxyholder. You can either tell that person how you want to vote or you can let him or her decide for you. You can do this by completing a form of proxy.

In order to be valid, you must return the completed form of proxy to the Company’s transfer agent, Endeavor Trust Corporation (the “**Transfer Agent**”), located at Suite 702, 777 Hornby Street, Vancouver, BC V6Z 1S4, or by fax at 604-559-8908, email at proxy@endeavortrust.com or by online voting, not later than 48 hours, excluding Saturdays, Sundays and holidays, prior to the time fixed for the Meeting or any adjournments thereof.

WHAT IS A PROXY

A form of proxy is a document that authorizes someone to attend the Meeting and cast your votes for you. We have enclosed a form of proxy with this Information Circular. You should use it to appoint a proxyholder, although you can also use any other legal form of proxy.

APPOINTMENT OF PROXYHOLDERS

The persons named as management proxyholders to represent registered Shareholders at the Meeting are Braydon Hobbs, Chief Executive Officer and Directors of the Company, or Braydon Hobbs, Chief Financial Officer

and a Director of the Company, or Sheri Rempel, Director of the Company (collectively, the “**Management Proxyholders**”).

A Shareholder wishing to appoint some other person or company (who need not be a Shareholder) other than the designated persons named in the form of proxy to represent him or her at the Meeting has the right to do so, either by inserting such other person’s or company’s name in the blank space provided in the form of proxy or by completing another form of proxy. Such a Shareholder should notify the nominee of his or her appointment, obtain his or her consent to act as proxy and instruct him or her on how the Shareholder’s Common Shares are to be voted or withheld from voting. In any case, the form of proxy should be dated and executed by the Shareholder or his/her attorney authorized in writing, or if the Shareholder is a company, under its corporate seal, or by an officer or attorney thereof duly authorized.

Similar procedures should be followed by a non-registered Shareholder with respect to the completion of a voting instruction form (“**VIF**”) provided by such Shareholder’s Intermediary, although the Shareholder should read the instructions on his or her VIF and, if necessary, confirm the instructions with his or her Intermediary. If a non-registered Shareholder wishes to attend the Meeting to vote in person, the Shareholder must instruct the Intermediary to appoint him or her as a proxyholder.

A proxy will not be valid for the Meeting or any adjournment thereof unless the completed, signed and dated form of proxy is delivered to the office of the Transfer Agent by mail or by hand, not later than 48 hours (excluding Saturdays, Sundays and holidays) before the commencement of the Meeting.

The Company has sent the Notice Package, to all eligible Shareholders informing them that this Information Circular is available online and explaining how this Information Circular may be accessed. The Company will not directly send the Notice Package to Beneficial Shareholders (as defined below). Instead, the Company will pay the Intermediaries for the distribution to Beneficial Shareholders whose Common Shares are held by or in the custody of such Intermediaries. Such Intermediaries are required to forward the Notice Package to Beneficial Shareholders unless a Beneficial Shareholder has waived the right to receive it. The solicitation of proxies from Beneficial Shareholders will be carried out by the Intermediaries or by the Company if the names and addresses of the Beneficial Shareholders are provided by Intermediaries. The Company will pay the permitted fees and costs of Intermediaries incurred in connection with the distribution of the Notice Package.

Instructing Your Proxy

You may indicate on your form of proxy how you wish your proxyholder to vote your Common Shares or withhold them from voting. To do this, simply mark the appropriate boxes on the form of proxy. If you do this, your proxyholder must vote your Common Shares or withhold them from voting in accordance with the instructions you have given.

If you do not give any instructions as to how to vote on a particular issue to be decided at the Meeting, your proxyholder can vote your Common Shares as he or she thinks fit. If you have appointed the persons designated in the form of proxy as your proxyholder they will, unless you give contrary instructions, vote your Common Shares IN FAVOUR of each of the items of business being considered at the Meeting.

For more information about these matters, see Section 3 – Particulars of Matters to be Acted Upon. **The enclosed form of proxy gives the persons named on it the authority to use their discretion in voting on amendments or variations to matters identified in the Notice of Meeting.** At the time of printing this Information Circular, management of the Company is not aware of any other matter to be presented for action at the Meeting. If, however, other matters do properly come before the Meeting, the persons named on the enclosed form of proxy will vote on them in accordance with their best judgment, pursuant to the discretionary authority conferred by the form of proxy with respect to such matters.

Revocation of Proxies

If you want to revoke your proxy after you have delivered it, you can do so at any time before it is used. You may do this by: (a) attending the Meeting via teleconference and voting in person; (b) signing a proxy bearing a later

date; (c) signing a written statement which indicates, clearly, that you want to revoke your proxy and delivering this signed written statement to the Company at 750 West Penders Street, Suite 401, Vancouver, British Columbia, V6C 2T7, Canada; or (d) in any other manner permitted by law.

Your proxy will only be revoked if a revocation is received by 5:00 p.m. (Vancouver time) on the last business day before the day of the Meeting, or any adjournment thereof, or delivered to the person presiding at the Meeting before it (or any adjournment) commences. If you revoke your proxy and do not replace it with another that is deposited with us before the deadline, you can still vote your shares but to do so you must attend the Meeting via teleconference. **Only registered Shareholders may revoke a proxy. If your Common Shares are not registered in your own name and you wish to change your vote, you must arrange for your nominee to revoke your proxy on your behalf (see below under “Non-Registered Shareholders”).**

REGISTERED SHAREHOLDERS

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting via teleconference. Registered Shareholders electing to submit a proxy may do so by completing the form of proxy and returning it to the Company’s Transfer Agent, no later than 10:00 A.M. (Pacific Time) on Tuesday, April 23, 2024, or at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) before the time and date of any adjournment or postponement of the Meeting.

NON-REGISTERED SHAREHOLDERS

The following information is of significant importance to Shareholders of the Company who do not hold Common Shares in their own name. These Shareholders are called Beneficial Shareholders. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered Shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares).

If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder’s name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder’s broker or an agent of that broker. In the United States the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many United States brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from beneficial Shareholders in advance of Shareholders’ meetings. Every Intermediary has its own mailing procedures and provides its own return instructions to clients.

IF YOU ARE A BENEFICIAL SHAREHOLDER

You should carefully follow the instructions of your broker or Intermediary in order to ensure that your Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the proxy provided to registered Shareholders by the Company. However, its purpose is limited to instructing the Intermediary on how to vote on your behalf. Many brokers delegate responsibility for obtaining instructions from clients to an investor communication service (“ICS”) in Canada/the United States. The ICS will typically mail a voting instruction form in lieu of a proxy provided by the Company. The voting instruction form will name the same persons as the Company’s Proxy to represent you at the Meeting. **You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than the persons designated in the voting instruction form, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the voting instruction form.** The completed voting instruction form must then be returned to the ICS by mail or

facsimile or given to the ICS by phone or over the internet, in accordance with the ICS' instructions. The ICS then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. If you receive a voting instruction form from an ICS, you cannot use it to vote Common Shares directly at the Meeting - the voting instruction form must be completed and returned to the ICS, in accordance with its instructions, well in advance of the Meeting in order to have the Common Shares voted.

Although as a beneficial Shareholder you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your broker, you, or a person designated by you, may attend at the Meeting as proxy holder for your broker and vote your Common Shares in that capacity. If you wish to attend at the Meeting and indirectly vote your Common Shares as proxy holder for your broker, or have a person designated by you do so, you should enter your own name, or the name of the person you wish to designate, in the blank space on the voting instruction form provided to you and return the same to your broker in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, you can request in writing that your broker send you a legal proxy which would enable you, or a person designated by you, to attend at the Meeting and vote your Common Shares.

This Information Circular and related material is being sent to both registered and non-registered owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf.

By choosing to send these materials to you indirectly the Intermediary holding on your behalf has assumed responsibility for (i) delivering these materials to you and (ii) executing your proper voting instructions. Please return your voting instructions as specified in your request for voting instructions.

RECORD DATE AND QUORUM

The Company has set the close of business on March 5, 2024, as the record date (the "**Record Date**") for the Meeting. Only the Shareholders of record as at the Record Date are entitled to receive notice of and to vote at the Meeting, unless after that date a Shareholder of record transfers his or her Common Shares and the transferee, upon producing properly endorsed certificates evidencing such shares or otherwise establishing that he or she owns such shares, requests at least ten (10) days prior to the Meeting that the transferee's name be included in the list of Shareholders entitled to vote, in which case such transferee is entitled to vote such shares at the Meeting.

Under the Articles of the Company, subject to the special rights and restrictions attached to the shares of any class or series of shares, the quorum for the transaction of business at the Meeting is one Shareholder present in person (or, being a corporation, partnership, trust, or other non-individual legal entity represented in accordance with the provisions of the *Business Corporations Act* (British Columbia), as amended (the "**BCBCA**")), or by proxy holding not less than one voting share of the Company entitled to be voted at the Meeting.

SECTION 2 – VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

VOTING OF COMMON SHARES

The Company is authorized to issue an unlimited number of Common Shares without par value of which 23,150,333 Common Shares were issued and outstanding as of the Record Date. The holders of the Company's Common Shares of record at the Record Date are entitled to vote such shares at the Meeting on the basis of one vote for each Common Share held. There are no classes of restricted securities.

The issued and outstanding Common Shares are listed for trading on the Canadian Securities Exchange (the "CSE") under the symbol LFNT.

PRINCIPAL HOLDERS OF COMMON SHARES

To the knowledge of the directors and executive officers of the Company, as at the Record Date, there are no Shareholders who beneficially own, directly or indirectly, or exercise control or direction over Common Shares carrying more than 10% of the voting rights attached to all outstanding Common Shares of the Company.

SECTION 3 – PARTICULARS OF MATTERS TO BE ACTED UPON

To the knowledge of the Company's directors, only the matters to be placed before the Meeting are those referred to in the notice of meeting accompanying this Information Circular. However, should any other matters properly come before the Meeting, the Common Shares represented by the proxy solicited hereby will be voted on such matters in accordance with the best judgement of the persons voting the Common Shares represented by the proxy.

Additional detail regarding each of the matters to be acted upon at the Meeting is set forth below.

FINANCIAL STATEMENTS

The board of directors of the Company (the "Board" or the "Board of Directors") has approved the audited financial statements of the Company for the fiscal year ended October 31, 2023, together with the auditor's report (the "Financial Statements") thereon. The Financial Statements will be presented to the Shareholders at the Meeting.

Copies of the Financial Statements will be available at the Meeting and may also be obtained by a Shareholder upon request without charge from the Company at 750 West Pender Street, Suite 401, Vancouver, British Columbia, V6C 2T7, Canada. These documents are also available under the Company's profile on SEDAR (www.sedarplus.com).

Management will review the Company's financial results at the Meeting and Shareholders and proxyholders will be given an opportunity to discuss these results with management. **No approval or other action needs to be taken at the Meeting in respect of these documents.**

FIXING THE NUMBER OF DIRECTORS

Directors of the Company are elected for a term of one year. The term of office of each of the nominees proposed for election as a director will expire at the Meeting, and each of them, if elected, will serve until the close of the next annual general meeting, unless he resigns or otherwise vacates office before that time. Under the Company's Articles and pursuant to the *BCBCA*, the number of directors may be set by ordinary resolution but shall not be fewer than three. The Company currently has **four (4)** directors, all of whom are being put forward by management of the Company for re-election at the Meeting. Therefore, it is proposed that the number of directors to be elected to hold office until the next annual general meeting of Shareholders or until their successors are elected or be appointed be set at **four (4)** directors.

The Company's management recommends that the Shareholders vote IN FAVOUR of the resolution setting the number of directors at four (4). Unless you give other instructions, the Management Proxyholders intend to vote FOR the resolution setting the number of directors at four (4).

ELECTION OF DIRECTORS

The term of office of all current directors of the Company expires at the time of the Meeting but they are eligible for re-election or re-appointment. Unless the director's office is earlier vacated in accordance with the provisions of the *BCBCA* or the Articles of the Company, each director elected will hold office until the next annual general

meeting of the Company, or until his or her successor is duly elected or appointed, unless his or her office is earlier vacated.

It is proposed that the below-stated nominees be elected at the Meeting as directors of the Company for the ensuing year. **The persons designated in the enclosed form of proxy, unless instructed otherwise, intend to vote FOR the election to the Board of the nominees listed below.** Management does not contemplate that any of the nominees will be unable to serve as a director but, if that should occur for any reason prior to the Meeting, the persons designated in the enclosed form of proxy reserve the right to vote for other nominees in their discretion.

Pursuant to the Advance Notice Provisions contained in the Articles of the Company, any additional director nominations for the Meeting must have been received by the Company in accordance with the provisions. As no such nominations were received by the Company, management's nominees for election as directors set forth below shall be the only nominees eligible to stand for election at the Meeting.

The following table sets out the names of management's nominees for election as directors; all offices in the Company each nominee now holds; each nominee's principal occupation, business or employment; the period of time during which each nominee has been a director of the Company; and the number of Common Shares of the Company beneficially owned by each nominee, directly or indirectly, or over which each nominee exercised control or direction, as at the Record Date.

Omnibus Share Incentive Plan

The Company has adopted the Omnibus Share Incentive Plan (the “**Omnibus Share Incentive Plan**”) dated June 23, 2022, which provides for the grant of various awards, including Options, restricted share units (“**RSUs**”), performance share units (“**PSUs**”) and deferred share units (“**DSUs**”) (collectively, the “**Awards**”). Equity issued pursuant to Awards granted under the Omnibus Share Incentive Plan will consist of authorized but unissued Common Shares. The Company maintains the Omnibus Share Incentive Plan in accordance with the policies and requirements of the Canadian Securities Exchange (the “**CSE**”).

The Omnibus Share Incentive Plan is administered by the Company Board; provided however, that the Company Board may at any time appoint a committee to perform some or all of the Company Board's administrative functions; and provided further, that the authority of any committee appointed will be subject to such terms and conditions as the Company Board may prescribe and will be coextensive with, and not in lieu of, the authority of the Company Board under the Omnibus Share Incentive Plan.

The Company Board has full authority to grant Awards under the Omnibus Share Incentive Plan. In particular, subject to the terms of the Omnibus Share Incentive Plan, the Board has the authority: (i) to select the participants to whom Awards may from time to time be granted (consistent with the eligibility conditions); (ii) to determine the type of Award to be granted to any participant; (iii) to determine the number of Common Shares, if any, to be covered by each Award; and (iv) to establish the terms and conditions of each award agreement (the "**Award Agreement**").

The Company Board has the authority to: (i) establish, amend and rescind such administrative rules, guidelines and practices governing the Plan as it, from time to time, deems advisable; (ii) to interpret the terms and provisions of the Omnibus Share Incentive Plan, any Award issued under the Omnibus Share Incentive Plan, and any Award Agreement; and (iii) to otherwise supervise the administration of the Omnibus Share Incentive Plan. The Company Board may correct any defect, supply any omission or reconcile any inconsistency in the Omnibus Share Incentive Plan or in any Award Agreement in the manner and to the extent it deems necessary to carry out the intent of the Omnibus Share Incentive Plan.

Eligibility

Pursuant to the Omnibus Share Incentive Plan, only eligible persons can be granted an Award, whereby 'eligible persons' means: (a) in respect of a grant of Options, any director, executive officer, employee or consultant of the Company or any of its subsidiaries, (b) in respect of a grant of RSUs or PSUs, any director, executive officer, employee or consultant of the Company or any of its subsidiaries other than persons retained to provide Investor Relations Activities, and (c) in respect of a grant of DSUs, any non-employee director other than persons retained to provide Investor Relations Activities (as defined under the policies of the CSE).

Common Shares Subject to the Omnibus Share Incentive Plan

Subject to adjustment pursuant to the Omnibus Share Incentive Plan, and as may be approved by the CSE and the shareholders of the Company from time to time, the securities that may be acquired by participants pursuant to Awards under this Plan shall consist of authorized but unissued Common Shares, provided that in the case of RSUs, PSUs, and DSUs, the Company (or applicable subsidiary) may, at its sole discretion, elect to settle such RSUs, PSUs or DSUs in Common Shares acquired in the open market by a designated broker (as defined under the Omnibus Share Incentive Plan) for the benefit of a participant; and the maximum number of Common Shares reserved for issuance, in the aggregate, pursuant to the exercise of Options or the settlement of RSUs, PSUs and DSUs granted under this Plan shall be equal to 10% of the issued and outstanding Common Shares from time to time, less the number of Common Shares reserved for issuance pursuant to any other share compensation arrangement of the Company (as defined under the Omnibus Share Incentive Plan).

Restrictions on Awards

The Omnibus Share Incentive Plan imposes the following restrictions on Common Shares subject to Awards, with terms capitalized but not defined having the meaning ascribed to such terms in the Omnibus Share Incentive Plan, a copy of which is available under the Company's profile on SEDAR at (www.sedarplus.ca):

In no event shall the Omnibus Share Incentive Plan, together with all other previously established and outstanding Share Compensation Arrangements (as defined under the Omnibus Share Incentive Plan) of the Company, permit at any time:

(a) the aggregate number of Common Shares reserved for issuance under Awards granted to Insiders (as a group) at any point in time exceeding 10% of the total issued and outstanding Common Shares; or

(b) the grant to Insiders (as a group), within any 12 month period, of an aggregate number of Awards exceeding 10% of the total issued and outstanding Common Shares, calculated at the date an Award is granted to any Insider, unless the Company has obtained the requisite disinterested shareholder approval.

The aggregate number of Awards granted to any one person (and companies wholly-owned by that person) in any 12 month period shall not exceed 5% of the total issued and outstanding Common Shares, calculated on the date an Award is granted to the person, unless the Company has obtained the requisite disinterested shareholder approval.

The aggregate number of Awards granted to any one consultant in any 12-month period shall not exceed 2% of the total issued and outstanding Common Shares, calculated at the date an Award is granted to the Consultant.

The aggregate number of Options granted to all persons retained to provide Investor Relations Activities (as defined under the policies of the CSE) shall not exceed 1% of the total issued and outstanding Common Shares in any 12-month period, calculated at the date an Option is granted to any such person.

If and to the extent that an Award expires, terminates or is cancelled or forfeited for any reason without having been exercised in full, the Common Shares associated with that Award will again become available for grant under the Omnibus Share Incentive Plan.

Types of Awards

Options

An Option entitles a holder thereof to purchase a prescribed number of unissued Common Shares at an exercise price set at the time of the grant. The Company Board will establish the exercise price at the time each Option is granted, which exercise price must in all cases be the greater of the closing market price of the Common Shares on (i) the trading day prior to the date of grant and (ii) the date of grant, unless otherwise permitted by applicable securities laws or the policies of a stock exchange on which the Common Shares are listed. Each Option expires on its respective expiry date, provided such expiry date does not exceed 10 years. The Company Board will have the authority to determine the vesting terms applicable to grants of Options. Once an Option becomes vested, it shall remain vested and shall be exercisable until expiration or termination of the Option, unless otherwise specified by the Company Board or as otherwise set forth in any written employment agreement, Award Agreement or other written agreement between the Company or a subsidiary of the Company and the participant. The Company Board may provide at the time of granting an Option that the exercise of that Option is subject to restrictions, in addition to those specified in the Omnibus Share Incentive Plan, such as vesting conditions relating to the attainment of specified performance goals. Unless otherwise specified by the Company Board at the time of granting an Option and set forth in the particular award agreement, an exercise notice must be accompanied by payment of the exercise price.

RSUs

An RSU is a unit equivalent in value to a Share credited by means of a bookkeeping entry in the books of the Company which entitles the holder to receive one Share (or the value thereof) for each RSU after a specified vesting period. The Company Board may, from time to time, subject to the provisions of the Omnibus Share Incentive Plan and such other terms and conditions as the Company Board may prescribe, grant RSUs to any participant in respect of a bonus or similar payment in respect of services rendered by the applicable participant in a taxation year (the “**RSU Service Year**”).

The number of RSUs (including fractional RSUs) granted at any particular time under the Omnibus Share Incentive Plan will be calculated by dividing (a) the amount of any bonus or similar payment that is to be paid in RSUs, as determined by the Company Board, by (b) the greater of (i) the market price of a Common Share on the date of grant and (ii) such amount as determined by the Company Board in its sole discretion. The Company Board shall have the authority to determine any vesting terms applicable to the grant of RSUs, provided that the terms comply with Section 409A of the U.S. Internal Revenue Code, to the extent applicable.

Upon settlement, holders will redeem each vested RSU for the following at the election of the Company Board: (a) one fully paid and non-assessable Common Share in respect of each vested RSU, (b) a cash payment or (c) a combination of Common Shares and cash. Any such cash payments made by the Company shall be calculated by multiplying the number of RSUs to be redeemed for cash by the market price per Common Share as at the settlement date. Subject to the provisions of the Omnibus Share Incentive Plan and except as otherwise provided in an Award Agreement, no settlement date for any RSU shall occur, and no Common Share shall be issued or cash payment shall be made in respect of any RSU any later than the final business day of the third calendar year following the applicable RSU Service Year.

PSUs

A PSU is a unit equivalent in value to a Common Share credited by means of a bookkeeping entry in the books of the Company, which entitles the holder to receive one Common Share (or the value thereof) for each PSU after specific performance-based vesting criteria determined by the company Board, in its sole discretion, have been satisfied. The performance goals to be achieved during any performance period, the length of any performance period, the amount of any PSUs granted, the effect of termination of a participant's service and the amount of any payment or transfer to be made pursuant to any PSU will be determined by the Company Board and by the other terms and conditions of any PSU, all as set forth in the applicable Award Agreement.

The Company Board may, from time to time, subject to the provisions of the Omnibus Share Incentive Plan and such other terms and conditions as the Company Board may prescribe, grant PSUs to any participant in respect of a bonus or similar payment in respect of services rendered by the applicable participant in a taxation year (the "**PSU Service Year**").

The Company Board shall have the authority to determine any vesting terms applicable to the grant of PSUs. Upon settlement, holders will redeem each vested PSU for the following at the election of the Company Board:

(a) one fully paid and non-assessable Common Share in respect of each vested PSU, (b) a cash payment, or (c) a combination of Common Shares and cash. Any such cash payments made by the Company to a participant shall be calculated by multiplying the number of PSUs to be redeemed for cash by the market price per Common Share as at the settlement date. Subject to the provisions of the Omnibus Share Incentive Plan and except as otherwise provided in an Award Agreement, no settlement date for any PSU shall occur, and no Common Share shall be issued or cash payment shall be made in respect of any PSU any later than the final business day of the third calendar year following the applicable PSU Service Year.

DSUs

A DSU is a unit equivalent in value to a Common Share credited by means of a bookkeeping entry in the books of the Company which entitles the holder to receive one Common Share or, at the election of the holder and subject to the approval of the Company Board, the cash value thereof, for each DSU on a future date.

DSUs vest in accordance with the terms of their respective Award Agreement. Subject to the vesting and other conditions and provisions in the Omnibus Share Incentive Plan and in any Award Agreement, each DSU awarded to a recipient entitles them to receive on settlement a cash payment equal to the market price of a Common Share, or, at the discretion of the Company Board, one Common Share or any combination of cash and Common Shares at the Company's sole discretion. For greater certainty, no recipient has any right to demand to be paid in, or receive, Common Shares in respect of any DSU, and, notwithstanding any discretion exercised by the Company to settle any DSU, or portion thereof, in the form of Common Shares, the Company reserves the right to change the form of payment at any time until the payment is actually made.

Amendment and Termination

The Company Board may, in its sole discretion, from time to time, amend, suspend or terminate the Omnibus Share Incentive Plan at any time without the approval of the Company's shareholders, provided that no such amendment, suspension or termination may be made without obtaining any required approval of any regulatory authority or stock exchange or materially prejudice the rights of any holder under any Award.

Notwithstanding those provisions, the Company Board shall be required to obtain shareholder approval, including, if required by the applicable exchange, disinterested shareholder approval, to make the following amendments: (a) any amendment to the maximum percentage or number of Common Shares that may be reserved for issuance pursuant to the exercise or settlement of Awards granted under the Omnibus Share Incentive Plan, including an increase to the fixed maximum percentage of Common Shares or a change from a fixed maximum percentage of Common Shares to a fixed maximum number of Common Shares or vice versa; (b) any amendment which reduces the exercise price of any Award, as applicable, after such Award has been granted or any cancellation of an Award and the replacement of such Award with an Award with a lower exercise price or other entitlements; (c) any amendment which extends the expiry date of any Award, or the Restriction Period (as defined under the Omnibus Share Incentive Plan) of any RSUs or PSUs beyond the original expiry date or Restriction Period (as defined under the Omnibus Share Incentive Plan); (d) any amendment which would permit Awards granted under the Omnibus Share Incentive Plan to be transferable or assignable; (e) any amendment to the definition of an “Eligible Participant” under the Omnibus Share Incentive Plan; (f) any amendment to the participation limits; or (g) any amendment to these provisions.

The Company Board may, by resolution, but subject to applicable regulatory approvals, decide that any of the provisions in the Omnibus Share Incentive Plan concerning the effect of termination of the participant's employment or engagement shall not apply for any reason acceptable to the Company Board.

Furthermore, the Company Board may, subject to regulatory approval, discontinue the Omnibus Share Incentive Plan at any time without the consent of the participants provided that such discontinuance shall not materially and adversely affect any Awards previously granted to a participant under the Omnibus Share Incentive Plan.

Awards Granted

As of the date of this Information Circular, the Company has not granted any Options to purchase Common Shares or awarded any RSUs, PSUs and DSUs under the Omnibus Share Incentive Plan. See “Stock Options and Other Compensation Securities” above for more information.

Oversight and description of director and named executive officer compensation

Compensation Discussion and Analysis

The Company Board will be responsible for setting the overall compensation strategy of the Company and administering the Company's executive compensation program with input from the CEO of the Company in respect of all executive officers other than the CEO. As part of its mandate, the Company Board will approve the remuneration of the Company's executive officers, including any NEOs of the Company. The Company Board will also be responsible for reviewing the Company's compensation policies and guidelines generally.

The objective of the Company's executive compensation program will be to motivate, reward, and retain management talent that is needed to achieve the Company's business objectives. The compensation program is designed to ensure that compensation is competitive with other companies of similar size and is commensurate with the experience, performance, and contribution of the individuals involved and the overall performance of the Company. In evaluating performance, consideration is given to the Company's long-term interests and quantitative financial objectives, as well to the qualitative aspects of the individual's performance and achievements. Compensation for directors of the Company, if any, will also be determined by the Company Board on an annual basis.

Compensation Objectives and Principles

The compensation program for the senior management of the Company will be designed to ensure that the level and form of compensation achieves certain objectives, including:

- attracting and retaining qualified executives;
- motivating the short and long-term performance of these executives; and
- better aligning their interests with those of the Company's shareholders.

In compensating its senior management, the Company may employ a combination of base salary, bonus compensation and equity participation through the Omnibus Share Incentive Plan. The Company will not provide any retirement benefits for its directors or officers.

Elements of Compensation

The executive compensation program is comprised of three principal components: (i) base salaries; (ii) bonuses, and (iii) an equity incentive compensation plan which will be designed to provide a combination of cash and equity-based compensation to effectively retain and motivate the executive officers to achieve the Company's goals and objectives. Each component of the executive compensation program is described below.

Base Salary

Executive officers may be paid a base salary to compensate them for providing the leadership and specific skills needed to fulfill their responsibilities. The payment of base salaries is an important component of the intended compensation program and serves to attract and retain qualified individuals. The base salaries for the executive officers will be reviewed annually by the Company Board and will be determined by considering the contributions made by the executive officers, how their compensation levels related to compensation packages that would be achievable by such officers from other opportunities, and publicly available salary data. Salaries of the executive

officers will not be determined based on benchmarks or a specific formula. Furthermore, no peer group will be used to determine compensation.

Bonus Incentive Compensation

The Company Board may from time to time approve bonus payments to reward executive officers for their contribution to the achievement of annual corporate goals and objectives. Bonuses will also serve as a retention incentive for executive officers so that they remain in the employ of the Company Board. The payment of bonuses is consistent with the intended overall objective of the Company to reward performance.

Equity Participation

Equity participation will be accomplished through the Plan. Options, RSUs, DSUs, and PSUs may be granted or awarded to executives and employees considering a number of factors, including the amount and term of awards previously granted, base salary and bonuses and competitive factors. The amounts and terms of Options, RSUs, DSUs, and PSUs granted or awarded are determined by the Company Board.

Compensation Process

The Company does not anticipate having a compensation committee or a formal compensation policy. The Company will rely solely on the directors to determine the compensation of any NEOs. In determining compensation, the directors will consider industry standards and the Company's financial situation, but the Company will not have any formal objectives or criteria. The performance of each executive officer will be informally monitored by the directors, having in mind the business strengths of the individual and the purpose of originally appointing the individual as an officer.

In establishing compensation for executive officers, the Company Board as a whole seeks to accomplish the following goals:

- to recruit and subsequently retain highly qualified executive officers by competitive offering overall compensation;
- to motivate executives to achieve important corporate and personal performance objectives and reward them when such objectives are met; and
- to align the interests of executive officers with the long-term interests of shareholders through participation in the Company's Omnibus Share Incentive Plan.

When considering the appropriate executive compensation to be paid to our officers, the Company Board will have regard to a number of factors including: (i) recruiting and retaining executives critical to the success of the Company and the enhancement of shareholder value; (ii) providing fair and competitive compensation; (iii) balancing the interests of management and the Company's shareholders; (iv) rewarding performance, both on an individual basis and with respect to operations generally; and (v) available financial resources.

Equity Incentive Based Awards

Long-term incentives in the form of Options, RSUs, PSUs, and DSUs are intended to align the interests of our directors and executive officers with those of the Company's shareholders and to provide a long-term incentive to reward those individuals for their contribution to the generation of shareholder value, while reducing the burden of cash compensation that would otherwise be payable by the Company.

The Plan will be administered by the Company Board. In determining the number of equity incentive awards to be granted to the NEOs, the Company Board will have regard to several considerations including previous grants of equity incentive awards and the overall number of outstanding equity incentive awards relative to the number of outstanding Common Shares, as well as the degree of effort, time, responsibility, ability, experience and level of commitment of the executive officer. For a detailed discussion of the Plan, please see "Stock Options and Other Compensation Securities".

SECTION 6 – CORPORATE GOVERNANCE

GENERAL

National Instrument 58-101 - Disclosure of Corporate Governance Practices (“NI 58-101”) provides guidelines on corporate governance disclosure for venture issuers as set out in Form 58-101F2 and requires full and complete annual disclosure of a listed company’s systems of corporate governance with reference to National Policy 58-201 – Corporate Governance Guidelines (the “Guidelines”). Where a company’s corporate governance system differs from the Guidelines, each difference and the reason for the difference is required to be disclosed. The Company’s approach to corporate governance is provided below.

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who

are appointed by the Board and who are charged with the day-to-day management of the Company. The Board is committed to sound corporate governance practices that are both in the interest of its shareholders and contribute to effective and efficient decision making. National Policy 58-201 - Corporate Governance Guidelines establishes corporate governance guidelines that apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company's practices comply with the guidelines; however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. NI 58-101 mandates disclosure of corporate governance practices for Venture Issuers in Form 58-101F2, which disclosure is set out below.
